## PRODUCT INSPECTION NOTICE

March 29, 2017

**CMC Rescue MPD**  
part# 333000, 333010, 333010-CE

Dear Valued Customer,

CMC Rescue has received a very limited number of reports of one or more of the MPD cover plate cap screws (see photo below) found to be loose. CMC Rescue has determined that this condition does not present a safety hazard to users.

Per the supplied User Instruction Card, and as with all life safety equipment, we recommend users inspect the MPD before and after each use. If during visual inspection any of the fasteners are found to be loose, contact CMC Rescue to return the unit for service.

Please contact CMC Rescue Customer Support by calling 1-800-513-7455 / 805-562-9120 or emailing to [info@cmcrecue.com](mailto:info@cmcrecue.com).

Thank you for your continued support and trust!

The CMC Rescue Team
